

MCP TECHNICAL ASSISTANCE CENTER IS HELPING GRANTEES

The Mentoring Children of Prisoners (MCP) Technical Assistance Center provides technical assistance to MCP grantees to help you reach your match goals and create quality mentoring relationships. We can answer your questions and offer guidance about mentoring-specific promising practices and resources as well as help you with organizational capacity or management issues that can impact your project.

You may email us at mcp_ta_center@daremightythings.com or call us at our toll-free number 1–866–MCP–1133 to request technical assistance. Our services include:

- **One-on-one technical assistance consultation** to help you execute your mentoring program.., we cover topics such as:
 - ✓ Effective methods for recruiting children
 - ✓ Effective methods for recruiting mentors
 - ✓ Accessing corrections systems
 - ✓ Resources for training and screening mentors
 - ✓ Resources for making and supporting mentoring matches
 - ✓ Collaborating with caregivers
 - ✓ Special needs and challenges of working with children of prisoners
 - ✓ Program design, planning, and management
 - ✓ Staffing issues
 - ✓ Partnership management
 - ✓ Access to a range of subject matter experts in mentoring.
- **Monthly e-newsletter** containing news, information, and resources on mentoring practices, funding announcements, information from the program office, and more.

Please add our email address: mcp_ta_center@daremightythings.com to your safe addresses so that your organization can receive our e-newsletters.

- **Training events** like this one and regional workshops with smaller groups of grantees from around the country.

Inspire. Connect. Impact.
